

May 16, 2009

Dear Friends:

As you know, Jane and John started their first year at Sample School this fall. We feel so blessed that our children are part of the Sample School community! It has been very exciting to watch their enthusiasm grow over the last few months. They have already made many genuine friendships and their love for learning grows every day. As parents, we are so thankful for their teachers who are reinforcing the values we teach at home and providing our children with a strong educational foundation for the future. We love Sample School!

Along this line, there is an opportunity for our friends and family to come along side us and support our children's education through the Tuition Tax Credit program. The state of Arizona has implemented this truly unique program and our desire is to take full advantage of it! As an Arizona taxpayer, you can re-direct your state income taxes to benefit a specific student or school of your choice by making a tax credit contribution to a student tuition organization, like Yuma's Education Scholarship Fund for Kids, Inc. The maximum credit for married couples is \$1000 and \$500 for single taxpayers. This is not a charitable donation; this is a dollar-for-dollar tax credit that directly reduces the amount you must pay to the State. The best part is that at least 97% of every contribution made to Jane and John's behalf will be awarded to them as a tuition grant! We would like to invite you to take the credit for our children. Here's how you can...

Included with this letter is a donation form from Yuma's Education Scholarship Fund for Kids, Inc., a Tuition Organization in Arizona. All you have to do is fill out the form and mail it along with your check by December 31<sup>st</sup> of this year to be eligible to receive the credit. Now is your chance to re-direct your tax dollars while supporting Jane and John.

Sincerely,

The Doe Family
